Dear Parents and Friends,

Please find attached another copy of the sports day program for this week. Only some students are involved Thursday afternoon from the upper school. The whole school is involved on Friday. Parents and friends are welcome to attend.

Students need to wear their sports uniform. If you do not have one, a shirt in a similar house colour (with sleeves and a collar) would also be suitable. Students need to make sure that they have a wide brimmed hat, plenty of water and food and shoes suitable for running. Students must sit with their house in the terraces on the oval. If a student needs to leave for any reason eg to go to the canteen in the hall or the toilet, they must inform a supervising teacher in the house. No Nashville students will be playing on the courts or play equipment during the sports day program, their job is to watch the events and cheer for their team. If your child needs to leave early, please inform the teachers supervising the house in the terraces to have their name marked off the roll.

Parents are reminded to stay back from the finishing line and competition areas and give all officials plenty of space to run the event and do their job.

The P&C are running a tuckshop from the hall, and a letter went home yesterday with all the details.

We need helpers to set up from 7am. If you are able to assist, please contact the office.

Regards,

Tracey Douglas
