Our school strategies are on track to meet or exceed our targets

During 2015, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Increasing the percentage of students reading at National Mean Standard each year towards targets.
- Building teacher capacity through focused coaching and professional development to improve student learning
- Building capacity workshops about explicit curriculum pedagogy delivery
- Internal moderation in place
- Key staff trained as mentors for beginning teachers
- Coaching training attended by key staff to create a culture of collegial support
- Early Years Program developed and implemented in Prep including early intervention programs for speech, fine motor, gross motor, reading and writing (P-3).
- Oral language data collected and used to develop individualized programs.
- Teacher aides employed to support the teaching of Reading and Writing
- Individual Curriculum Plans for students not achieving at year level standard in place
- Engaged parents as partners in the school community to improve student outcomes in reading programs such as support-a-reader.
- Investigation and implementation of further strategies to support a seamless transition to formal schooling.
After reviewing our *Great Results Guarantee* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:
- Collection of data in regular cycles to analyse distance travelled.
- Development of lessons to specifically teach school wide expectations.
- Collaborate and network with pre-prep providers to ensure well considered transitions to the school environment.
