## Third Party Website Consent

### Education Queensland Privacy Notice

*The Department of Education and Training is collecting your personal information on this form in order to obtain consent for disclosure of a student's personal information to facilitate registration and use of third party web based software identified on the form. The information will be used and disclosed by authorised school employees for the purposes outlined on the form.*

*Student personal information collected on this may also be used or disclosed to third parties where authorised or required by law. This information will be stored securely. If you wish to access or correct any of the personal student information on this form or discuss how it has been dealt with, please contact your student's school in the first instance.*

Dear Parent/Guardian,

The use of web based educational resources has risen steadily over the last decade and are increasingly being used by teachers across Queensland to improve student learning outcomes.

Our school and teachers make decisions about the best technology to meet the needs of our students. Sometimes it is beneficial for students to utilise services provided by third party web based providers.

Nashville State School wishes to utilise the third party web based service provider/s listed below to aid students learning. For your student to use the service the teacher will need to register them as a user. Registering with these providers requires student personal information to be disclosed to the provider of the service. In the case of the services outlined below they are private companies that are hosted onshore in Australia/and/or/outside of Australia. Outside of Australia means that data that is entered to register for these sites will be stored on servers that are not based in Australia and therefore are not bound by Queensland's privacy laws. Registration may include disclosing the following information about your student:

- Student First Name and Last Initial Only,
- Student ID,
- Age,
- Year group,
- Class Teacher and
- Student EQ Email

We need your permission for the registration and use of these sites by your student.

*Note: Parents have the op/on of advising the school through the completion of this form that they do not provide consent for their child to access any or all of the listed sites. This will not adversely affect academic achievement, or any relationships with staff or the school. However, your child will be unable to access some online or cloud based applications, including applications utilised for analysis of student support, progression or diagnostic purposes.*

Before you decide whether or not to withdraw consent, it is important that you understand the reasons that these websites collect this information, what will be done with it, who else may have access to it and where the data is stored. This information can be found in the hyperlinks below referring to each website's terms and conditions and/ or privacy policy.

Please read these and ensure that you understand the implications of using this service. If you have any queries around the storage of students' information, please feel free to contact the school on 3869 7777.

## Please return the completed form to school

Below are the third party web based service provider/s:

Name of Provider	Sunshine Classics	<b>1</b>
Type of Service	The purpose of this website is to provide an online literacy and numeracy program designed for children aged between 4 to 10 years old.	
Website	<a href="http://sunshineclassics.com.au/">http://sunshineclassics.com.au/</a>
